Dear Parents,

In computing, some children have asked how they can access RM Unify from home – we have gone over this in class but here is a step by step guide as a reminder.

- 1) First go to the Newtown Primary School website: newtown.sandwell.sch.uk
- 2) Next go to the 'pupils' tab and click on 'RM Unify'.

3) Click on the 'RM Unify' link at the bottom of the page.

4) Using your school username and password please log on. All children have access to their username and passwords in their reading record.
