Tuesday 18<sup>th</sup> October 2022

Dear parents/carers

To raise awareness on National Bullying Prevention Month, Year 4 have decided to run two competitions over the course of this week. The first competition will require children to guess the correct number of sweets in a jar and the second competition will require children to guess the correct name of the teddy bear out of a possible 100 names. For only 20p a go, children will have the opportunity to win two prizes. One winner will win the prize of the teddy bear and the other will be a jar of sweets.

Children's guesses will be collated on Thursday, with the winning name being picked at random out of a hat. The winners will be announced on Friday 21<sup>st</sup> October. Your support will help increase community awareness and further our efforts to make a real difference in children's lives.

The money that will be raised will be donated using the link below:

Yours faithfully
