

**50 BOOKS
YOU'LL LOVE TO
READ IN
YEAR 2**

Newtown Primary School

These are the 50 books we think Newtown Primary School children, in Year 2, will love.

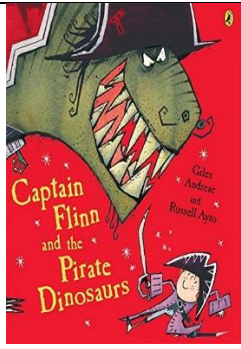

Children in Year 2 should read and be read to 10 minutes every day.

If your child has a favourite book, it is ok for them to read it repeatedly – this helps with their fluency and understanding of story structure.

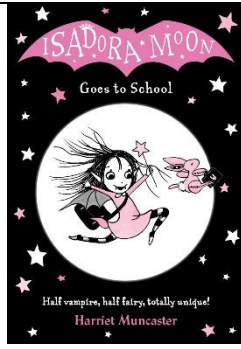

It is important for your child to engage with what they are reading. To help them with this, you could:

- Take turns to read aloud at story time and be an enthusiastic listener when your child reads aloud to you
- Give your child time (10 seconds) to sound out words they don't recognize straight away
- Talk about interesting words and what they mean. Discuss other words that mean the same thing
- Talk about words that are the same but have different meanings for example jam goes on your toast, as well as meaning cars stuck in traffic
- Use expression and humour when reading to them
- Talk about the story, using the pictures. Include the characters, the setting and the plot (books don't need to have words in order to tell a story).
- Listen to your child's ideas and opinions
- Make links to things and places they are familiar with for example link the shop in the book to where you go food shopping.
